VISION AND MISSION

The college is committed to the pursuit of excellence in higher education, total character and holistic personality building. Our vision is to produce a well-rounded, self-confident, positive young person with the following attributes:

1. An inquiring and fearless mind
2. Respectful of others' viewpoints
3. Belief in the values of social justice and equality
4. Leadership skills across the spectrum--social, political, commercial and cultural
5. Ability to stand for others and self

Our Strategies to Achieve These Goals Are:

Development of Holistic Personality: The college along with the classroom teaching complements students with a wide range of extra-curricular activities. The college has NSS, NCC, Rovers and Rangers and various clubs like Red Ribbon Club, Eco Club, Road Safety Club, Electoral Literacy Club, Energy Club and NDLI Club. The students work under the careful supervision of teachers and the primary objective of these activities is to understand their different responsibilities, community service and social bonhomie.

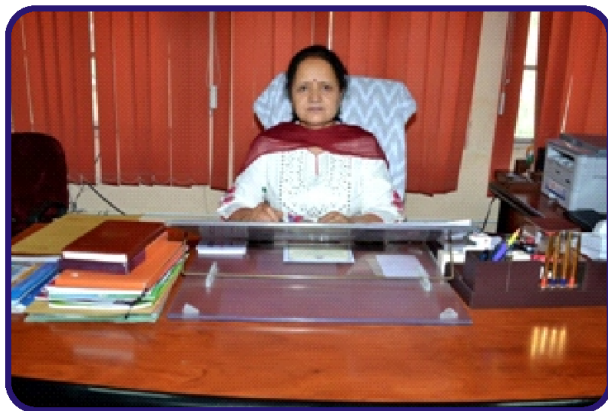

Discipline: The primary mission of the college is to educate young men and women and help them understand the value of education so that they can lead a life based on moral values and service to nation. The teachers along with classroom lectures try to inculcate the spirit of value-based life with emphasis on universal values and critical thinking.

Interaction and Communication: The teaching faculty frequently interacts with the students and shares with them the vision of the academic session. The college Principal organizes an induction at the beginning of the session to address students and also introduces them to the various facets of the college. The information related to sports, co-curricular activities and the scholarship schemes are also communicated to the students on a regular basis.

Upholding Cultural Values: The location of college is distinct as it is a point of intersection and interaction of cultural activities of three different districts-- Kullu, Shimla and Kinnaur. The college also has a Tribal Girls' Hostel and a Tribal Boys' Hostel where students from District Kinnaur can apply for accommodation. The college takes initiatives to promote oral tradition and multicultural programmes of these districts so that the students can comprehend the basic values of diversity. These interactions increase the sense of and the sensibility towards the understanding of new cultures and also promote equitability amongst the students.

Our Core Values

1. To uphold and inspire sustainable development and to nurture through imparting quality education
2. To promote development of critical thinking and effective communication
3. To raise cultural awareness and to build affordable learning and creative ambience for the students
4. To nurture human values
5. To extend equitable opportunities for achieving lifelong educational goals

PRINCIPAL'S MESSAGE

Greetings to one and all!

Welcome to G.B. Pant Memorial Government College, Rampur Bushahr. I am glad that you have chosen to be a part of this family to pursue your academic journey. Since our inception in 1959, the college has grown in stature and added feathers every year in the field of academics, sports, cultural exploration and extra-curricular activities. We, at Government College, Rampur Bushahr, believe that honesty and excellence in education is vital for the holistic growth of the society and our college motto 'साविद्याविमुक्तये' further concretizes our belief that only knowledge can provide complete liberation to a human mind and enrich the personality with critical thinking, harmony and positive attitude.

In the last few years, Corona virus wreaked havoc on humanity and the threat on life posed by this virus was immense. All forms of life struggled and professional work was hampered due to the spread of this contagious virus. We, at the college, accepted this challenge and our journey towards the attainment of excellence even during the times of the pandemic continued. We successfully conducted the admission process and took quality classes online and tackled the menace of the pandemic with high spirits.

The strength of our institution lies in its values. Our values are the backbone of the institution. We envision ourselves as the builders of the nation. Among many values there are two that are dear to the institution. First, the college caters to multi-cultural students of Kullu, Kinnaur, Shimla and Mandi districts and being an institution of high principles and values, we believe in quality education and cultural inclusiveness. Therefore, the college becomes a distinctive space for the interaction of these age-old cultures. Building from the first point, at Government College, Rampur Bushahr, we see our diversity amongst our students as our strength. Thus, the message we pass on to the students covers large percentage of the areas of the state.

We understand our large strength of students and thus, we stress upon the positive interaction of humans with nature. Our rigorous effort to inculcate the value of sustainable development and ecological awareness within and outside the campus through community outreach programmes is evident through our 'Green Campus Initiative' and College volunteer groups (NCC, NSS, Rovers and Rangers, **Electoral Club, Energy Club, Eco Club** and SOCH Literary Society). These diverse set of meaningful practices makes us realize our significant role in building future citizens and leaders of the country.

During your time at the college, we will provide ample opportunities to learn and grow intellectually and spiritually. We have a well-structured academic environment and life altering extra-curricular activities that are guided and mentored by our dedicated faculty and supporting staff. I hope this meaningful interaction will encourage you to generate new ideas, increase knowledge and enhance your skills that are required in today's fast changing world. I welcome you all to the Government College, Rampur Bushahr, and by selecting this college you have chosen an institution that is equipped with digital smart classrooms, library, lush green campus, a big playground, well equipped laboratories, a sizeable auditorium, a conference room, and a canteen. This is only the beginning of our long and fruitful intellectual journey.

Best Wishes
Dr. Pushpa Negi
Principal

ABOUT THE COLLEGE

The college is named after the country's prominent freedom fighter, great administrator and the recipient of the Bharat Ratna-- Sh. Govind Ballabh Pant, and is duly affiliated to Himachal Pradesh University (Shimla). This college came into existence in July, 1959 but was formally inaugurated on 11th November, 1959 by Raja Bajrang Bahadur Singh of Bhadri estate, the then lieutenant Governor of Himachal Pradesh. Situated on the left bank of the river Satluj, the college is on the national highway no. 5 and at a distance of about 130 km from the historical town of Shimla, the capital city of Himachal Pradesh.

The college is a co-educational institution and imparts meaningful education in the faculties of Humanities, Science, Commerce, Vocation, and Computer Applications. After its inception in 1959 for undergraduate programmes, the year 1994 marked its new phase of academic development with the opening of Postgraduate classes in the subject of Hindi, English, Commerce, History, Economics, and Political Science. In the year 2017, the new PG courses in the subject of Sociology, Geography, Chemistry, Botany, Zoology, Physics and Mathematics were introduced. The self-finance course of Bachelor of Computer Applications (BCA) was started in the academic session 2010-11, based on the feedback of the stakeholders. The skill-oriented Bachelor of Vocation (B.Voc.) was added to the programmes of the college in the year 2017. The primary objective for the implementation of these courses is to empower the youth with practical knowledge that will lead to quality employment and income generating opportunities.

The college campus has a green cover of trees, a sprawling playground and a well-equipped auditorium that provide a healthy ambience for the holistic growth of the students beyond their classrooms. It is surrounded by the scenic beauty of hills that provides the students with ample green space to learn and interact in a lively fresh environment. With modern laboratories and library, the learning experience of the students becomes extensive and practical. There are three girls' hostels and one boys' hostel which make the college an ideal centre for learning and knowledge. The physical infrastructural facilities in the college have expanded over the years to meet the new demands and also to provide better learning environment to the students. A new Commerce block became functional in July, 2020 and a new Science Block with modern amenities will also become functional soon. The institution provides a judicious amalgamation of academics, sports, extra-curricular activities and extension activities for the development of mental and physical progress of the students. The students are motivated to follow the motto of the college that focuses on the knowledge that leads to self-realisation and liberation.

The National Assessment and Accreditation Council (NAAC) has awarded grade 'B' to the college for providing quality Higher Education to the students. The college has experienced and qualified teachers who are fully committed to guide and support the students to achieve new academic heights and acquire new skills. The institution draws its strength from the combined efforts of its staff, students and other stakeholders to excel in academics, in extra-curricular activities and in administration.

 - 2.1 **Discipline Specific Elective (DSE) Course:** Elective course offered by the main discipline/subject of study is referred to as Discipline Specific Elective. The University/Institute may also offer discipline related Elective courses of interdisciplinary nature (to be offered by main discipline/subject of study).
 - 2.2 **Dissertation/Project:** An elective course designed to acquire special/advanced knowledge, such as supplement study/support study to a project work, and a candidate studies such a course on his own with an advisory support by a teacher/faculty member is called dissertation/project.
